## MESSAGE FROM THE PRINCIPAL

Welcome back to another year at Thayer High School. Students are asked to read the following pages and familiarize yourselves with the contents as you will be held accountable for the rules and regulations found within. A good understanding of and careful adherence to these rules and regulations will insure a successful year. These few pages do not represent all of the rules and regulations governing this school, but they do provide a good basis with which to begin to shape your attitude and behavior. Please refer to the completed board policy available at the school website at <http://thayer.k12.mo.us> and feel free to ask questions of any staff member for any clarifications. As always, thank you for being partners in education.

Marc Pitts

## SECTION II – ATTENDANCE

### ATTENDANCE POLICY & PHILOSOPHY

There is no better predictor of student academic success than regular, punctual attendance. The attendance procedures of THS are established to encourage and enforce regular, punctual attendance. The Board of Education, administration, and faculty of Thayer High School believe that regular attendance in school is important. When students miss school, regardless of the reason, they miss an educational opportunity, which is lost forever. We believe students should learn the value of and demonstrate a pattern of good attendance and punctuality. Teenagers who have developed a pattern of good attendance will be better prepared for the attendance requirements placed upon them as adults when they may find that poor attendance leads to job dismissal and subsequent loss of income. All students of Thayer High School will be held responsible for knowing, understanding, and complying with the following attendance policies. Poor attendance may lead to failure with meeting the requirements for earning academic credit.

### ABSENCES

To receive credit in a course, a student must do passing work and be absent (for other than school activities) no more than eight (8) class periods during a semester. If a student misses more than 20 minutes of any class period, it will be considered an absence. Students will have one (1) day to make up work per absence (example: if a student is absent 3 days, he/she will have 3 days to make up the work). After 3 days of absents it will be up the teacher and the Principal.

- If a student is absent from school (for other than school activities) for four (4) days or once a student is absent from any individual class (for other than school activities) four (4) times, the student's parents/guardians will be notified in writing.
- If a student is absent from school (for other than school activities) for eight (8) days or once a student is absent from any individual class (for other than

school activities) eight (8) times, the parents of the student will be notified that they and the student will need to appear before the Attendance Committee. This letter will also inform them when and where that attendance committee will meet.

- The purpose of the Attendance Committee meeting is to discuss the procedures the student will need to follow so that he/she may complete the requirements for earning credit in those classes which have more than eight absences. Once a student has exceeded eight (8) absences in any class, no grade or credit will be awarded to the student until the student and their parent(s) appear before the Attendance Committee.
- The Agenda of the Attendance Committee Meeting:
  - Address the reason(s) for the student's absences and determine what action may be necessary to address these and/or any future absences. In the case of a serious accident or illness requiring prolonged medical care, the parents may request a waiver be granted. In some cases, with authorization of a physician, homebound instruction may be given (if approved by the Principal and the Missouri Department of Elementary and Secondary Education). A statement from the student's physician or a copy of the hospital admission and discharge papers shall be presented to the high school office the day the student returns to school and included in the student's attendance file.
  - Address the number of hours/tasks needing to be completed to fulfill the requirements so that credit may be awarded.
  - Set a deadline for when the student's hours/tasks should be completed. Student must complete all course work and hours of absences and tardies before participation in graduation is allowed.
  - Set a date for the Attendance Committee to review the student's progress toward completing the required hours/tasks
  - At the time of the second meeting the Attendance Committee will review the student's case with the student and parents/guardians and take one of the following three actions:
  - An extension may be offered to the student to complete the requirements laid out in the first meeting.
  - The student will be awarded a grade as well as credit for the class if the student has completed the hours/tasks required to be awarded credit.
  - The student receives a grade of "F" – Failure due to attendance on the transcript and no credit will be awarded.

## TARDIES

Punctual attendance is both a sign of respect toward both the teacher and the other students in the classroom; it is also part of a student's accountability toward his/her studies. Punctual attendance is important – and not attending punctually (or being tardy) is not only discouraged, it is a violation of school policy that can't be ignored nor tolerated. The consequences for not attending punctually are assessed for each class per semester.

- 1<sup>st</sup> -2<sup>nd</sup> Tardy           Teacher Warning
- 3<sup>rd</sup> – 4<sup>th</sup> Tardy        Teacher Warning and Parents notified
- 5<sup>th</sup> Tardy or more      ISS for every tardy

**Tardies given in 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup>, hour ISS same day. Tardies given in 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup> or 7<sup>th</sup> hour ISS next school day.**

For attendance points in classes, 4 tardies per quarter equal 1 absence. Twelve tardies would eliminate all attendance points in that class.

## TRUANCY

Truancy is when a student:

- Leaves the campus without permission from the Principal.
- Comes to school but does not attend any or all classes or authorized activities.
- Is not in school when the parents think the student is at school.
- Obtains permission from the teacher or the office to go to a certain location on campus, but does not go there.
- Brings a signed note that is forged or sets forth an invalid reason for the absence.
  
- Leaves the building to go to the parking lot without permission from the office.

Students deemed as truant will not be allowed to make up work missed, and additional disciplinary action may be taken. Truancy will count against the eight day limit

## SCHOOL SANCTIONED ACTIVITIES AND/OR COLLEGE VISITATION

School sponsored or sanctioned activities are exempt from and shall not count toward the total absences. Only seniors will be allowed three days during the year to visit a college or vocational school of their choice. These three days will be considered a school sanctioned activity if the following procedures are followed:

- The High School Counselor must arrange the visit(s)
- The student must obtain written confirmation from a college/vocational school official verifying the visit actually took place. This verification should be returned to the counselor on the next school day after the visit. Students who are absent from school will check with the teacher in advance and obtain Make-up work prior to the absence.

**TRANSFER STUDENTS**

Grades will be given for transfer students from this district to their new school district without regard to absences. It will be the student's new school's responsibility to determine credit. Students new to this district will fall under our policy on their first day of classes. Students who were enrolled in this district and then transfer out and then return to this district will have the prior attendance records apply to the current semester.

**ATTENDANCE INCENTIVES**

**A. Quarter:** Students with perfect attendance for that quarter will receive three (3) percentage points on their quarter grade in that particular class. Students who miss no more than one (1) day in a class for that quarter will receive two (2) percentage points on their quarter grade in that particular class. Students who miss no more than two (2) days in a class for that quarter will receive one (1) percentage point on their quarter grade for that particular class

**B. Semester:** All students are required to take a semester exam in each class they are enrolled. A student may be exempt from the test if they maintain the following standards relating to attendance and grades:

ATTENDANCE	GRADE
2 absences or less	A
1 absence or less	B
0 absences	C

**C. Yearly:** Students who have perfect attendance for the entire school year will be eligible for a drawing for a \$100.00 award.

**ATTENDANCE**

**In order to be eligible to attend Prom, a student must maintain 90% attendance for the school year.**

**ADMIT SLIP**

All attendance documentation, verification, or documentation in reference to the absence must be furnished to the high school office at this time. Lack of this information implies that the student has no documentation. A PHONE CALL IS NOT ACCEPTABLE IN LIEU OF PAPERWORK FOR ANY ABSENCE.

**PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES**

All students not in attendance for a full day of classes will not be permitted to participate in any school-sponsored activity that night unless permission is obtained from the Principal.

In order to be eligible to participate in any MSHAA sanctioned activity that will take place on the week-ends or when school is not in session, students cannot have an unexcused or unjustified absence on the last day of possible attendance.

#### **PARENT NOTIFICATION**

When a student is absent from school, and there has been no phone call made to the office to excuse the absence prior to 8:30 AM, parents will be contacted by personal phone call and/or through the *SchoolMessenger* system. *SchoolMessenger* allows the school district to send important information quickly – not only to parents but to staff as well – via phone, email, or text message, about emergency situations and school delays or cancellations due to inclement weather. In addition to notifying parents about school closings or delays, *SchoolMessenger* allows the district to contact parents about important school information and events, testing schedules, report card distribution, breakfast/lunch bills, open houses, delayed buses, field trips, and more. Messages will also be shared using the free app SchoolWay.

#### **WITHDRAWING FROM SCHOOL**

A student must check out of school before moving from the district or dropping out of school. The student is to get a “check-out form” in the office. The form will be taken to each teacher on the student’s schedule for grades and clearance. No records will be sent to another school until all books and school property is returned and all bills are paid. When a student transfers to a new school he/she should request a copy of the checkout form to take to the new school.

### **SECTION III– ACADEMICS & COUNSELING**

#### **ACADEMIC LETTER**

Full time students who earn at least a 9.0 grade point average while completing 7 credits for both semesters of an academic year will be awarded an academic letter to signify this accomplishment.

First time recipients will receive the “T” and repeat recipients will receive a letter bar at the first assembly of the school year. Remedial classes will not be used to be considered for an academic letter.

#### **GRADE CLASSIFICATION**

Students will be classified by grade, based on credits earned, as follows:

Freshman	(Grade 9)	No Minimum
Sophomore	(Grade 10)	Minimum of 5.5 Credits
Junior	(Grade 11)	Minimum of 12.0 Credits
Senior	(Grade 12)	Minimum of 19.0 Credits

## GRADUATION REQUIREMENTS

In order to graduate from Thayer High School, a student must acquire a total amount of credits, in grades 9 - 12, based on a sliding scale that is dependent on the number of credits a student has available to them during the regular academic school year (exclusive of summer school and correspondence course).

26 or less Credits Possible	→	25.0 Credits Needed for Graduation
27 Credits Possible	→	25.5 Credits Needed for Graduation
28 Credits Possible	→	26.0 Credits Needed for Graduation

The following Credits are Required for Graduation:

Language Arts	4 Credits – including Language Arts I & II
Mathematics	3 Credits – including Algebra I
Social Studies	3 Credits – including Geography, US History I & II, Government
Science	3 Credits – including Physical Science, Biology I
Fine Arts	1 Credit
Physical Education	1 Credit
Practical Arts	1 Credit
Health	½ Credit
Personal Finance	½ Credit

Senior grades will be submitted 5 days prior to the date of graduation. This will allow for the calculation and acknowledgement of Senior Awards.

Student must complete all course work and hours of absences and tardies before participation in graduation is allowed.

## COLLEGE PREPARATORY CERTIFICATE & COLLEGE PREPARATORY DIPLOMA

Students who wish to achieve beyond the minimum requirements for a high school diploma are encouraged to seek a College Preparatory Certificate and/or a College Preparatory Diploma. The requirements for these advanced awards include maintaining a “B” average (3.0 on a 4.0 scale) in the four (4) “core” courses and scoring above the national average on either the SAT or the ACT. Criteria also stipulate the courses, which must be included in the four-year program of studies. For more information, see the counselor.

## COLLEGE PREPARATORY HONORS PROGRAM

Students must meet the requirements of the College Preparatory Diploma and College Preparatory Certificate with one exception; Students who participate in the Honors Program must also obtain 4 Honors Math Credits above the required Algebra I Class.

## GRADING SCALE/ GRADING POINTS

Grading policies for each course will be discussed and posted in the classroom. Each teacher shall give each student a written copy of the grading policy.

The School wide Grading Scale is as follows:

A 94-100	B- 80-82	D+ 67-69
A- 90-93	C+ 77-79	D 63-66
B+ 87-89	C 73-76	D- 60-62
B 83-86	C- 70-72	F Below 6

## GRADE POINTS

THS uses an 11-point system for calculating Grade Point Average – the point value for each letter grade is as follows:

A	= 11
A-	= 10
B+	= 9
B	= 8
B-	= 7
C+	= 6
C	= 5
C-	= 4
D+	= 3
D	= 2
D-	= 1
F	= 0

The GPA is calculated by dividing the total point value of all classes divided by the total number of credits attempted. Class rank is figured using this 11-point scale – all classes attempted count towards class rank, with the exception of Summer School and Correspondence Courses.

## WEIGHTED COURSES

It is the policy of the Board to offer a program of “weighted courses” in grades 9 -12. When a student successfully passes a weighted course, 1 or 1.5 extra point is added when figuring grade point average. **The following courses will be classified as weighted and receive 1 extra point: Chemistry, Human Anatomy/Physiology, Physics, Biology/II, Calculus, Trig/College Algebra, Algebra 2, Geometry, College Prep English, Accounting, Dual Credit/Dual Enrollment college classes (semester)** **The following courses will be classified as weighted and receive 1.5 extra points: Honors Algebra II, Honors Geometry and AP Calculus**

## HONOR ROLL

The Honor Roll will be calculated each quarter. Those students who have earned at least a grade of B in every class will be recognized on the “A-B” Honor Roll. Those students who have earned an A in every class will be recognized on the “All A” Honor Roll.

## GRADE REPORT / FAILING NOTICE

The school will periodically send home grade reports, including each mid-quarter. Parents may view grades using Parent Portal at any time. Deficiency/ failing notices will be mailed each mid-quarter to parents who do not return a signed notice to the school office. The school will send quarterly grade reports. Parents are to sign these notices and the student is to return it to the guidance counselor, the office secretary, or the issuing teacher. Parent/Student Portal is available to monitor grades daily.

## **CARREER AND TECHNICAL EDUCATION HONORS**

Students who complete a series of three or more courses in a Career and Technical Education field; Agriculture, Business, or Family and Consumer Sciences and pass the required test will be recognized as a completer in that program area. These students will be recognized as a CTE honor student within their particular area of study, receive a graduation cord representing that program area, and receive recognition in the graduation program for their accomplishments

## **7/8 GRADE RETAINMENT**

The school year is composed of four core curriculum courses mathematics, science, social studies and language arts. This allows for a total of eight semesters.

- **Failed 1-2 semesters\***: Student is recommended to attend summer school.
- **Failed 3-4 semesters**: Student is required to successfully complete summer school to be promoted or they will be retained.
- **Failed 5-8 semesters**: Student is retained.

\*If a student fails both semesters of a course they are required to attend summer school for that subject.

## **SUMMER SCHOOL**

Summer School may be used by both junior high or senior high students to recover credit from failed core classes. Students may earn up to one full credit during Summer School.

## **GUIDANCE / COUNSELING PROGRAM**

Academic guidance in the high school is viewed as a series of services designed to help pupils choose wisely between alternatives, to help pupils understand their abilities and limitations, and to help them effect adjustments to the society in which they live. The overall purpose of a guidance program is to facilitate the development of the individual. Students wishing to see the counselor should make an appointment and get permission from their teacher beforehand.

## **SCHEDULE CHANGES**

Student or parent initiated schedule changes will only be allowed until the end of the fifth day of each semester, and only for such reasons as the lack of prerequisite courses, overcrowding of classes, etc. Any course change made after the fifth day must have the approval of the Counselor and Principal. In the event the study of a subject is discontinued before it is completed, partial credit will not be given. After the twentieth day of class each semester, any student dropped from a class will receive a failing grade for the semester.

## SECTION IV – GENERAL INFORMATION

### DRESS CODE

Proper attire is both a sign of respect toward others as well as a sign of self-respect. All students are expected to come to school CLEAN and NEAT in appearance, with attire that is conducive to learning. The following is a partial list of items considered unacceptable for students to wear. This list is not intended to be comprehensive – the building Principal will make the final decision if questions arise.

#### Students are not allowed to wear:

- Head wear – (Hats, caps, bandannas, and such)
- Halter/low cut tops, tank tops and sleeveless shirts with oversized arm openings, less than 1 ½ inches of strap or material on the shoulder, or showing excessive skin on the back and/or undergarments
- Altered clothing (torn, cut, or factory-made holes) with holes above fingertip length
- Items that are not appropriately fitted to the wearer (excessively loose or tight)
- Items that expose the midriff, chest, or undergarments
- Clothing with inappropriate or suggestive writing and/or designs (tobacco, alcohol ads, double meaning/sexual reference)
- Overly short skirts, dresses, or shorts (the hem must be at a minimum fingertip length when arms are at the side, regardless if layered with leggings, tights, etc.). Leggings/jeggings/tights, etc. are NOT considered pants. If you wear these, you need to have a shirt, skirt or shorts over them reaching at least down to your fingertips.

### ELECTRONIC DEVICES

While on school grounds during the regular school day, students are not allowed to use electronic devices without the permission of the building Principal. This includes, but is not limited to radios, MP3 players, video games, cellular phones and smart watches (wearable devices). By permission only, students may use one of the many phones located throughout the building. Messages can be relayed to a student through the main office.

### SCHOOL PROPERTY AND EQUIPMENT

Any student who is assigned school materials (including tablets, laptops and other electronic devices) is responsible for those items. Damage or destruction of school property will result in disciplinary consequences and restitution to the district.

### STUDENT CELL PHONE USAGE

Developments in cell phone technology in recent years have resulted in enhanced communication opportunities. However, the use of cell phones in school poses an increased risk of disruptions, academic dishonesty, bullying, and criminal activity. As a

result, student cell phones are to remain turned off and out of sight during the instructional day (7:45 a.m. to 3:00 p.m.) and on school buses coming to and from school. This will include Smart Watches ex. Apple Watches (wearable devices)

Students who are found possessing and/or using a cell phone will have the cell phone confiscated and returned only to the student's parent/guardian at the end of the day, or to the student at the end of the following school day. If a student's cell phone is confiscated more than once – additional consequences will be imposed.

Students may leave their phone in the school office vault and pick them up to use after school. Parents may also apply for a hardship exception through the school office. Each school phone is available for legitimate student – parent contact and parents may call the school office to contact their child. Consequences include:

- 1<sup>st</sup>-2<sup>nd</sup> Incident      Warning
- 3<sup>rd</sup> Incident or more    1 hour before/after school required
- Additional consequences may be imposed

### **STUDENT DRIVING**

Students are to park in the lot east of THS. Students are not to abuse the privilege of driving by operating their vehicles in a careless and unsafe manner. Any report of such an action will automatically cancel a student's right to drive to school for part of or the rest of the school year. After arriving at school, students are not to return to their vehicles until the end of the day without permission. Vo-Tech and Ozarka College students shall ride the bus to the Ozarka Campus and Vo-Tech school. Driving to Ozarka College or Vo-Tech without permission will be cause for disciplinary action including dismissal from the program.

### **LEAVING SCHOOL GROUNDS**

The school day begins when a student arrives on the school grounds or steps onto school transportation. Before leaving school grounds during school hours, a student must have permission from the Principal, otherwise such absences will be considered truancy. Students who leave the school grounds during the school day must check out in the office with a written note from a parent or guardian, or call to the school for clearance. Students must sign out on the checkout sheet in the presence of the Jr/Sr High School Principal or Administrative Assistant. Prior approval from the Principal must be given before a student may return to campus after signing out and leaving school grounds.

Students on work programs must leave the school grounds and report to their work sites at the specified times. They may not loiter on the school grounds.

## **UNSCHEDULED DISMISSAL (INCLEMENT WEATHER DAYS)**

Listen to KALM/KAMS Radio or watch KAIT-TV Channel 8, or Springfield TV channels 3, 10, 27, or 33 for school closings. Notice will also be given through SchoolMessenger and our free app SchoolWay.

## **PUPIL RESPONSIBILITY ON BUSES**

The following regulations will serve as a guide to student expectations while in transit:

- The driver is in charge of the pupils and the bus. Pupils must obey the driver. Each driver is expected to oversee the safe operation of the bus. Students who act in a manner that hinders safe operation may be removed from the bus for a period or the remainder of the school year.
- Pupils must be on time; the bus cannot wait beyond its regular schedule for those who are tardy.
- Never stand in the roadway while waiting for the bus.
- Unnecessary conversation with the driver is prohibited.
- Classroom conduct is to be observed by pupils while riding the bus, except for ordinary conversation.
- Pupils must not at any time extend arms or head out of bus windows or throw anything from the windows.
- Pupils must not try to get on or off the bus, or move within the bus, while it is in motion.
- Pupils must observe directions of the driver and monitors when entering and leaving the bus.
- Any damage to the bus should be reported at once to the driver.
- There shall be no food, drink, water guns, or noisemakers of any kind on school buses on route runs.
- Animals shall not be transported on the buses.
- No one other than regular enrolled students may ride the buses. Students' guests shall not ride the buses unless a bus pass is presented to the driver at the time the student enters the bus.
- The building Principal may deny students the privilege of riding the bus.

## **HALL PASSES**

Every student is expected to be in class every period. If for any reason the student must leave the classroom, he/she must obtain the written permission of the classroom instructor. Students are allowed to come to the main office for medication, change, or to use the phone – but only **between** classes, before, or after school.

## **LOCKERS**

Students will be issued a locker and a lock. He/she must keep the lock attached securely and correctly at all times. Each student is responsible for keeping his/her assigned locker clean both inside and outside; the lock must be returned in good

condition at the end of the year. Students should not tape anything to the outside of the locker. Damages caused by the misuse of tape etc. will be charged to the student responsible. Any locker/lock malfunction should be reported to the office. Students are cautioned not to keep money or other valuables inside their lockers. They should not share a locker or their lock combination with anyone.

### **SAFE SCHOOLS ACT**

The "Safe Schools Act" (HB 1301 & 1298, 1996) establishes the crime of "assault while on school property." The act also makes assault while on school property a class D felony. A person commits the crime of assault while on school property if the person:

- Knowingly causes physical injury to another person; or
- With criminal negligence, causes physical injury to another person by means of a deadly weapon; or
- Recklessly engages in conduct which creates a grave risk of death or serious physical injury to another person; and the act occurred on school or school district property, or in a vehicle that, at the time of the act, was in the service of a school or school district, or arose as a result of a school or school district sponsored activity.

All violations of the Safe Schools Act will be reported to the Police and/or Sheriff's Office.

### **WEAPONS IN SCHOOL**

The possession or use of a weapon by any person, except where authorized by law, shall be prohibited in all school buildings, on or about school grounds and at all school activities. ## Notification of Rights for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the School to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to

enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202**

#### **PUBLIC NOTICE – FREE AND APPROPRIATE PUBLIC EDUCATION**

All public schools are required to provide a free and appropriate public education to all students, including those attending private/parochial schools, beginning on the child's third birthday through age twenty (20), regardless of the child's disability. Disabilities include: learning disabilities, mental retardation, behavior disorders/emotional disturbance, speech disorders (voice, fluency, or articulation), language disorders, visually impaired, hearing impaired, physically/other health impaired, multi-handicapped, deaf/blind, autism, early childhood special education, and traumatic brain injury.

All public schools are required to provide parents the right to inspect and review personally - identifiable information collected and used or maintained by the District relating to their children. Parents have the right to request amendment of these records if they feel the information is inaccurate, misleading, or violates the privacy or other rights of their children. Parents have the right to file complaints with the U.S. Department of Education or the State Department of Education concerning alleged failures by the District to meet the requirements of the Family Educational Rights and privacy Act (FERPA).

The District has developed a Local compliance Plan for implementation of Special Education and this Plan is available for public review during regular school hours on days school is in session in the Office of the Superintendent of Schools.

Public schools in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth through age twenty (20) who reside in the District or whose parent/legal guardian resides in the District. This Census is compiled as of May 1 each year. This information is treated as confidential and submitted to the Missouri Department of Elementary and Secondary Education.

Information to be collected includes: name of each child, parent/legal guardian's name/address; birth date and age of each child; and each child's disability or suspected disability. Should the District fail to submit an annual census, the State Board of Education may withhold state aid until the census is submitted. If you have a child with a disability or know of a child with a disability who is not attending the public school, please contact your school district.  
Superintendent – Thayer R-II Schools – (417) 264-4600.

## **PUBLIC ANNOUNCEMENT SURROGATE PARENT PROGRAM**

Pursuant to the requirements of state law 162.997-999 RSMo, the State Board of Education is required to appoint a surrogate parent at such time as it becomes evident that a child with a disability does not have a parent or a person acting as a parent to participate in matters dealing with the provision of special education. For purposes of surrogate parent appointment, "parent" is defined as a biological parent, a guardian, or a person acting as a parent of a child including, but not limited to, a grandparent, a stepparent, or a foster parent with whom the child lives. The term does not include the State if the child is a ward of the State. The term does not include a person whose parental rights have been terminated.

Thayer R-1 School District is given the responsibility to determine when a child with a disability who requires special education and who resides in the District is without a parent. The District will notify the Missouri Department of Elementary and Secondary Education of the need to appoint a surrogate parent. Training for persons serving as surrogate parents will be provided by the Missouri Department of Elementary and Secondary Education and the District.

If you are interested in volunteering to serve as a surrogate parent, more information can be obtained from the District's surrogate parent contact person, Betty Shrable, Director of Special Services at (417) 264-4600.

- used. For example, if the grievance involves the superintendent, the compliance officer may designate someone outside the district to hear the grievance in lieu of the superintendent, or the grievance may be heard directly by the Board.
2. An extension of the investigation and reporting deadlines may be warranted if extenuating circumstances exist as determined by the district's compliance officer. The person filing the complaint will be notified when deadlines are extended. If more than twice the allotted time has expired without a response, the appeal may be taken to the next level.
  3. Failure of the person filing the grievance to appeal within the timelines given will be considered acceptance of the findings and remedial action taken.

  5. The district will only share information regarding an individually identifiable student or employee with the person filing the grievance or other persons if allowed by law and in accordance with Board policy.
  6. Upon receiving a grievance, district administrators or supervisors, after consultation with the compliance officer, will implement interim measures as described in this policy if necessary to prevent further potential discrimination, harassment or retaliation during the pending investigation.

If necessary, a Board hearing will be scheduled to resolve the complaint. However, the decision of the Board shall be final except in the case of complaints concerning the administration of federal programs. In that case the complainant may go to the appropriate section of the Department of

Elementary and Secondary Education and then to the United States Secretary of Education.
